#### **Business Summary:**

Farm Bureau is a voluntary and independent non-governmental, non-profit organization of agricultural producers united for the purpose of achieving educational improvement, economic opportunity and social advancement. Farm Bureau helps give farmers and ranchers a united voice to promote and protect their common interests without regard to political or religious affiliation. Farm Bureau is local, statewide, national and international in scope and influence. Tulare County Farm Bureau is comprised of agricultural members (those who receive income from farming or ranching), associate members (those who do not receive income from production agriculture and are non-voting, collegiate members under the age of 25 and business support members.
